**For Swedish comments:**

SWE-1-E Accept. Delete the paragraph.

SWE-2-E Accept. Delete the paragraph.

SWE-3-E Already changed.

SWE-4-E Accept. Rewrite the sentence.

SWE-5-E Not accept. We believe “use” is better than “execute.”

SWE-6-E Partially accept. Leave “use” instead of “execution.”

SWE-7-E Accept. Change the title. The second and third items are already included.

**For South Africa comments:**

ZA1-E Accept.

ZA2-E Partially accept. Change “complete” to “all.”

ZA3-TH Not accepted. The second paragraph said that this section describes contents of physical media. The first paragraph is essential, so that we leave it as ESS.

ZA4-Intention accepted. We make new entry “8.3 Support” that includes “problem report.”

ZA5-TH Intention accepted. Un-installation(de-installation) is added in 4.1.

ZA6 We don't know why.

**For USA comment:**

USA-1 Disposition is not necessary.
